TOWN WARRANT

To the inhabitants of the Town of Pembroke in the County of Merrimack in said State, qualified to vote in the Town Affairs:

You are hereby notified to meet at the Community House in said Pembroke on Tuesday, the ninth day of March, next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To hear and act upon the report of the Town Ways & Means committee.

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to charge (20) cents on and after September 1st, 1943 on all unpaid 1943 poll taxes.

5. To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes; and to authorize the Selectmen to give a deed in the name of the Town to the purchaser of such land.

6. To see if the Town will vote to raise and appropriate the sum of twenty-five dollars (\$25.00) to help in the care and upkeep of Pembroke Park for the ensuing year.

7. To see if the Town will vote to raise and appropriate the sum of two hundred dollars (\$200.00) for a series of band concerts.

8. (By Petition) On the south side of Front Street below the Police Station there is a curbstone about three hundred (300) feet long in the ground. The water runs over it washing out the driveway thereby

causing a great deal of damage. The property owners would like this curbstone removed three (3) feet toward the road.

9. To hear the reports of auditors, agents and committees, or officers heretofore chosen, and pass any vote relating thereto.

10. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and forty-three.

EDGAR G. BELLEROSE,
ANTONIO A. DUPONT

Selectmen of Pembroke

We hereby certify that we posted true and attested copies of the within warrant at two public places in the Town of Pembroke to wit, the Community House and the Post Office on February 22nd, 1943, at 12 o'clock, noon.

EDGAR G. BELLEROSE,
ANTONIO A. DUPONT

Selectmen of Pembroke

CIVILIAN DEFENSE

At the request of the State Civilian Defense Committee, the Selectmen of Allenstown and Pembroke met together with the undersigned and discussed plans for the organization of a civilian defense committee. During this meeting, it was agreed due to lack of finances that all workers should serve without compensation. It was further agreed that one committee could best serve the public interests for both towns, and that the existing public services of the towns should be united and work together with their personnel and equipment for the mutual protection of both towns, sharing equally the necessary expense for material and supplies. Chairmen were appointed to assume the duties pertaining to the various necessary committees, and we are pleased to report excellent cooperation on the part of the various chairmen and members of the Civilian Defense groups. From the very beginning, it was conceded that our community did not need to meet all the complicated requirements as proposed by the U. S. Civilian Defense Office for the larger cities. Consequently, our group has in a measure planned a program which we feel meets the needs of our community, and at the same time function with the Warning Center and the State Civilian Defense Committee.

A temporary report center was established in the community house which proved unsatisfactory, so that our permanent center was later set up in the basement of the Pembroke Fire Station. Here, telephone connections are maintained with the Civilian Defense Warning Center and, through volunteer personnel, this center is manned and equipped to send a warning at any hour of the day or night.

A medical center has been set up equipped in the Allentown Grammar School. Air raid wardens have been instructed in their duties and assigned the areas they are to patrol. Auxiliary police and firemen have been named and trained in both towns. Red Cross and first aid workers have been enrolled and trained. Demolition squads have been organized and are completely equipped and trained to cope with any unusual hazards. Evacuation committees are ready at a moment's notice to feed or house persons left homeless. In brief, all necessary steps have been taken to protect you and your families in event of an unexpected disaster. To provide better protection, we need your help as many of our original volunteers have left to enter the armed forces. Please register with Mr. Robert Lockhart, Personnel Director or with Mr. John Lynch, Air Raid Warden, and you will be assigned to some part in our defense work.

We take this opportunity to thank all the chairmen and members of our groups who have given so freely and cheerfully of their time to effect our organization.

Civilian Defense Committee
HARRY K. ROGERS, *Chairman*.

MAURICE D. MARTEL,
Tax Collector.

REPORT OF PEMBROKE FIRE DEPARTMENT

In accordance with the Laws of the State of New Hampshire, I have the honor to present the report of the Fire Department for the year 1942

Appropriation and Expenditures for 1942

Expenditures	\$4,229.29
Nurse credit on Telephone	28.20
	<hr/>
	\$4,201.09
Appropriation	4,200.00
	<hr/>
Excess over appropriation	\$1.09

During the year there were 57 alarms which is a decrease of 10 over 1941. There were 45 bell alarms, 11 still alarms. There was 1 false alarm.

Necessary parts were installed to replace those broken on the alarm siren. I trust these will hold for the duration. A new type alarm should be considered after the war.

Two hundred feet of new double jacket hose was purchased to replace some of the old.

Owing to the automobile situation and suitable manpower it is expected that the citizens of Pembroke reduce the fire hazards on all their property in order that the department may not be unduly handicapped.

Expenses

Pembroke Water Works	\$1,693.00
Public Service Company	164.50
New England Tel. & Tel. Company	77.02
Harry K. Rogers, insurance on truck	49.60
Jacob A. Chase, parts and labor	13.46
Dupont Filling Station, gas and oil	18.16

Fred W. Saltmarsh, coal and wood	294.50
Albert Richotte, insurance on truck	25.40
Cass Hardware, supplies	6.40
George F. Georgi, supplies	5.69
Gulf Oil Corporation, gas	11.87
Thomas Brasley, wood	6.50
Joseph Brasley, gas & oil	10.86
Clovis Bouley, labor	11.00
Edgar Lavoie, labor	11.60
Gedeon Petit, parts and labor	18.00
Whitney Drug Store, supplies	1.50
Thompson & Hoague, supplies	2.40
George Gordon Company, supplies	1.00
Manchester Fire Department, supplies	2.66
L. S. Branch Company, supplies	4.96
Amoskeag Machine Co., welding	21.40
Sterling Siren Company, parts	46.75
George S. Michiels, labor	3.00
Harry S. Lovell Co., fire hose	245.00
Suncook Valley R. R.	1.24
Edgar J. Lavoie, Secretary, Salaries for fire- men and janitor service	1,481.82
	<hr/>
	\$4,229.29
Nurse credit for telephone	28.20
	<hr/>
Total	\$4,201.09

Respectfully submitted,

CHESTER T. ROBINSON,
Chief.

POLICE DEPARTMENT

Chief F. Bouchard, salary and expenses	\$1,078.20
Frank Bennet, services	30.72
Joseph Crevier, services	34.61
Arthur Brasley, services	142.87

Safe keeping	1
Lodgers	5
Doors found unlocked	25
Notifying Public Service Co. of N. H.	38

Respectfully submitted,

FERDINAND BOUCHARD,
Chief of Police

Honor Roll

We dedicate this annual town report to our boys and girls who are fighting today on every battlefield of the world, so that we can exercise those freedoms which we now enjoy under this great nation. We pay tribute to those men and women, many of whom will give their lives to protect our families and children from those who wish to enslave us. They are ready to make the supreme sacrifice for freedom of free speech..... the same right of free speech that we are exercising today at this Town meeting. They have left their homes, families and friends, giving up all that was dear to them, and this they have done without grumbling..... Can we here at home say the same? Do we accept the limitations placed upon us by this world conflict, or do we grumble because we cannot have our usual allotment of butter, meats and a little extra gasoline with which to joyride? Can we compare our so-called sacrifices with those of our fighting men and women in front line trenches?

Let us be what we should like to be called, "true and loyal Americans," proud of the part that we, back home, are playing in this great conflict. Let us show them that we here on the home front are also fighting men and women."

Your town officers, together with all of the townspeople, take great pride in the record of our men and women in the armed service. We now have nearly 200 in the various branches of the armed forces.

We join with you, the parents, in asking God with His divine grace to protect them wherever they may be.

FOREST FIRE WARDEN'S REPORT

"As the tempo of America's war effort mounts, demands upon its citizens for service become more numerous and exacting. To some comes the call to arms; others to public service and still others to defense industries and organizations. No one can possibly escape if he would. All must bear a proportionate share of the burden and the sacrifice. Strong first line fronts on land, sea and in the air are needed and can be developed and maintained only if there is unity of purpose and common determination behind the home front."

"As men are drawn into service the burden of carrying on rests more heavily upon those forced to remain at home. Here, team work becomes increasingly important because of constantly diminishing manpower. A general breakdown in essential local activities and law observance can only be prevented by whole hearted cooperation between citizens and leaders."

"Everyone is well acquainted with the several civilian defense groups. Many of our fellow townsmen are serving in one or other of them. It is only recently, however, that the Office of Civilian Defense, recognizing the threat forest fires are to our timber facilities and resources and the possible disruption of war activities in critical areas, established the "Forest Fire Fighters Service." Its purpose is to provide fire fighters, equipped and trained, to strengthen the hand of the local forest fire warden; to acquaint the people in the area with their responsibility in fire prevention and suppression and to provide an opportunity for people in and near forested areas to participate in the war effort. The State Forester is the State Coordinator; the District Fire Chiefs are District Coordinators and the Warden is the Local Coordinator. The Forest Fire Fighters Service personnel will be registered

under the direction of the Office of Civilian Defense; it will be trained by the local warden and his assistants, aided by the District Chief. Individual citizens are urged to join this service group by applying to their local forest fire warden. By becoming a part of this organization locally, individuals can contribute their share toward the protection of our forest resources which are so vital to the war job."

"During this critical period it is more than ever the part of good and prudent citizenship to remember

1. That permission to burn in or near woodland or where fire may be communicated to woodland must be secured from the forest fire warden when the ground is not covered with snow.

2. To be careful when smoking in or near the woods and not to throw lighted cigars, cigarettes or matches from moving vehicles.

3. To notify your local warden promptly of any fires you see.

4. That fire prevention is the best and cheapest fire insurance.

5. To be fire minded; be careful; be cooperative and thus help your warden prevent forest fires. This is patriotism at work."

The 1942 fire record for our town follows:

Number of fires	0
Number of permits issued	4
Forest fire tools	\$40.46

MARCELLUS H. ROWE,

Forest Fire Warden

The Regular Hours of Schools:

Grades	I-II	8:30-11:00, a.m.	1:00-3:00, p.m.
Grades	III-VIII	8:30-12:00, a.m.	1:00-3:25, p.m.

All principals and teachers to be on duty at 8:15, a.m.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Pembroke:

Due to the immediate demands of defense activities the Superintendent's ninth annual report is brief.

Your teachers, assisted by an able corps of volunteer citizens, are engaged for the fifth time during the past twelve months in registering the population for the rationing of fuels and foods.

War conditions or the attendant advance in wage scales have necessitated at least three of the seven changes in elementary teachers.

Changes in September included the election of Mr. Leon Tinel to succeed Mr. Marshall N. Crandall as principal of Suncook Grammar School. Mr. Tinel received his degree in 1937 from St. Anselm College. He has since taken special courses in woodworking and other manual arts at Keene Teachers College and New Hampshire University. Other September vacancies were occasioned by the withdrawal of Miss M. Eunice Kidder from grades three and four and Miss Anna M. Gobis from grades five and six of the Suncook School. The former position was filled by the selection of Mrs. Mollie P. Ring of Saco, Maine. Mrs. Ring is a graduate of Castine Normal School and has taught for twenty years in the elementary schools of Portland and Saco, Maine. Miss Helen L. McCarthy of Concord was elected to the latter position in the fifth and sixth grades. Miss McCarthy was graduated in 1934 from the Concord Training School and since then has taught for eight years in the elementary schools of Canterbury.

At Pembroke Street Mrs. Florence B. Amadon succeeded Miss Louise C. Poore. Mrs. Amadon graduated from Keene in 1933, and has attended several summer sessions in Keene and Plymouth. Besides seven years of teaching experience in the elementary schools of the state, Mrs. Amadon served in 1938 as demonstration teacher of remedial reading at the Plymouth Summer School and was for one year rural critic teacher in the Washington State Normal School at Machias, Maine.

On account of restricted transportation Miss Lydia F. Bellows transferred in September from the Borough School to a similar position in Hooksett. Miss Bertha A. Royce of Goffstown was elected to the Borough School. Miss Royce has a teaching experience of more than twenty-four years spent in three New Hampshire schools. She also has acquired professional training during several summers at Keene and Plymouth.

Mrs. Helen Huston Desmarais of Concord succeeded Miss Dorothy W. Boland in the school at Buck Street. Mrs. Desmarais completed the elementary course at Keene in 1930. After one year of teaching she returned to Keene and was graduated from the Junior High School Course in 1932. Until her marriage in 1935 Mrs. Desmarais served as principal of the Martin's Corner School in Hooksett.

On November 12, 1942, the sudden death of Miss Hattie E. Merrill, teacher of the Pembroke Hill School, removed from the profession a highly respected and efficient rural school teacher, and a loyal member of the New Hampshire State Teachers Association. Her first school was at North Pembroke. Afterwards she taught for many years large schools in Farmington and New Hampton. In recent years she had taught near her home in Deerfield. Although after Miss Merrill graduated from Pembroke Academy, her professional training was restricted to summer sessions at teachers college, she followed with justifiable pride the achievements of her pupils in high school.

In November Mrs. Helen Ericson King of Concord was appointed to teach the Hill School. Mrs. King graduated in 1929 from the Concord Training School, attended summer school at Keene in 1938 and has taught for several years rural schools in Epsom and Henniker.

Since Mrs. Vivian H. Burbank of Concord withdrew in June as teacher of sewing and cooking at the Suncook School it has been impossible to obtain the services of a teacher who has state certification in these subjects. We are fortunate to have in this department Mrs. Florence A. Saturley as a permanent substitute.

The report of your enumeration officer for September, 1942, shows 380 pupils enrolled in the Pembroke

elementary schools and Academy. Included with these are ninety Academy pupils who came from neighboring towns, leaving 290 resident pupils in local schools. Also there are 174 resident children attending elementary schools and one pupil in high school outside of the district. These make a total of 465 resident children accounted for in public and private schools.

It is a matter of regret that a physical handicap has been imposed on some elementary school pupils by the discontinuance of community service in the preparation of hot lunches. Since the war has revealed in our youth, both men and women, the lack of proper and adequate nutrition, it is anticipated that new government agencies, similar to the community service formerly provided by the Works Progress Administration, may soon be available. To obtain such nutritional service local appropriation for school lunches should be made by the school district.

The frequent going and coming of defense workers and members of the armed forces add to the danger from communicable diseases among school children. For this reason the services of school nurses everywhere have become increasingly valuable. During the last year seventy-one cases of communicable diseases were reported by your school nurse. Physical defects corrected included 119 of which seventy-nine were dental corrections, made by Dr. Mayo in your dental clinic of last April.

The health of children, required to occupy a school-room for a definite time each day, demands a temperature of at least 65 degrees. Conditions at the Pembroke Street School do not meet such a standard. Before another winter either the insulation of the building or the improvement of heating facilities — possibly both — must receive attention.

The right of way to and the use of an open spring has recently been obtained to supply drinking water for the Borough School. As soon as weather conditions will permit the pouring of cement, this spring should be cleaned and enclosed to prevent its pollution by organic matter.

So far more than ten tons of scrap metal, rubber, rags, and hemp rope have been collected for defense purposes by your five elementary schools. More than twice this amount has been collected by the pupils of the Academy. The Pembroke Hill School with an enrollment of fifteen children led in per pupil collection, averaging over 200 pounds per child.

The purchase of U. S. War Savings Stamps and Bonds by the pupils of the five elementary schools now exceeds five hundred dollars.

Music for enjoyment, one of the four aims of this instruction, was demonstrated by the music festival, conducted at the Academy Auditorium last May and in which your elementary schools participated. Restricted transportation forbids a similar festival this spring. However, chorus groups will share in the exercises of graduation. Without the assistance of parents and other citizens, community programs of this nature would fail of their objectives.

To all school officials, and citizen assistants, who by their services in rationing centers, by their individual and collective support of child nutrition, and who by their cooperation in maintaining the efficiency of your schools are contributing to the national defense, there is here expressed the deep appreciation and thanks of your Superintendent.

Respectfully submitted,

GEORGE H. HARMON,
Superintendent of Schools

February 24, 1943

REPORT OF HEADMASTER OF PEMBROKE ACADEMY

To Mr. George H. Harmon, Superintendent of Schools, Raymond, New Hampshire.

This is a report of the progress of Pembroke Academy for the year 1942.

Teaching Staff and Enrollment

School opened September 9, 1942 with eight regular and two part-time teachers and one hundred ninety pupils. Five new pupils have since entered the Academy, and these additional months have also witnessed several changes in the teaching staff. Miss Iris Valley of Dover, N. H., Mr. George Hall of Keene, N. H., and Mr. James Duggan of Laconia, N. H., all were teaching at the Academy for the first time. Other members were Miss Elsie Furlong, Commerce teacher, Miss Sadie Stevens, teacher of English and Foreign Languages, Mr. David Jennings, instructor in the Social Sciences, Miss Margaret Newman, Dean of Girls, and teacher of Home Economics, and Mr. Jarvis T. Beal, Headmaster and teacher of Science. Part-time teachers were Mrs. Doris Buswell in charge of Music and Mrs. Elizabeth C. Morrill, teacher of Elocution, Prize Speaking, etc.

At Thanksgiving time Miss Newman was granted a leave of absence to enter the Woman's Army Auxiliary Corps, and her place was taken by Mrs. Ruth Hayden. At Christmas time Mr. George Hall was inducted into the United States Army and Mr. Cecil B. Grimes of Penacook, N. H., became the new Shop teacher. Then Mr. James Duggan was granted his release and Miss Rosella Smith, a former graduate of the Academy and a teacher in the Hooksett Village School, was engaged to teach mathematics and science.

Distribution of Pupils

The one hundred ninety-five pupils were divided among the following towns: Pembroke, 107; Allenstown, 42; Hooksett, 13; Epsom, 32. These same pupils are distributed by grades as follows:

Seniors		Juniors		Sophomores		Freshmen	
B	G	B	G	B	G	B	G
11	25	19	22	32	21	33	31
36		41		53		64	

Distribution by Curricula

	Commercial	Home Economics	General Academic	Shop	Total
Seniors	13	5	8	2	34
Juniors	10	1	10	7	36
Sophomores	10	3	12	9	42
Freshmen	16	2	7	15	49
Total	49	11	37	33	161*

*34 pupils had left school by March 1, 1943.

The following Chart shows the distribution of pupils in Pembroke Academy by age and grade.

AGE-GRADE TABLE

	12-13	13-14	14-15	15-16	16-17	17-18	18-19	19-20	Boys	Girls

EXTRA CURRICULAR ACTIVITIES

The year 1942-43 has proved a very difficult year in which to settle down and accomplish definite objective. Pupils have additional extra curricula jobs to do in connection with their homes, their churches, and communities. The call of the farms and defense industries has been persistent and the pay alluring. The school teachers have taken on added burdens of Red Cross Work, First Aid Instruction, and the many phases of the National Rationing program. In addition to all this we have had one of the coldest winters in history and less fuel than usual to cope with the situation. It was hoped in the beginning that it would not be necessary to convert our new oil burning heater at the Academy — a system which after several years of adjustment was working beautifully. As fuel oil became scarce it was evident that our allotment of 8,000 gallons was not going to last, especially as the government later cut this amount by 10%. The Academy had to close three weeks in January because of no oil allowance but reopened February 1 after giving the order for a new coal stoker, and parts for conversion. In a winter so cold and in a building (area 17,000 square feet) so large (radiation 3,884 feet) a fuel oil allowance of 8,000 gallons is insufficient. The least amount used in any previous single year had been 11,100 gallons.

In the light of these facts it has been difficult to organize and maintain an effective regular program. To say nothing of an extra curricula one. Our Victory Corps Program had three main objectives. Physical Fitness, Health, and Bond and Stamp sales. At one period 100 pupils a day were buying a well balanced noon lunch for only ten cents. The Academy News under the leadership of Compton French sponsored a continuous Bond and Stamp Sale and realized nearly \$2,000. with a high

percentage of pupils contributing. Lack of heat in the gymnasium has hindered the physical fitness program as well as meeting of music classes, assemblies, entertainments, and the basketball schedule. Mrs. Morrill has worked faithfully with the pupils in the Memory Prize Speaking Contest which was held in the afternoon of December 17, 1942. The winners were Joan Henrickson, Helen Hoague, Roger Beal, and Ann Ring.

Our Testing Program has been carried out for each and every pupil and teachers are glad to talk over with parents and those interested the records of individuals. It seems to me that business people would profit by checking with the school office the records of those whom they might like to hire. This year every pupil has taken a fundamental test in arithmetic in addition to the regular program. To aid the war program and speed victory the colleges are admitting pupils at midyears of their senior year, and the State Department of Education is recommending that this half year of College work be accepted by the secondary schools of the state toward their high school diploma.

The girls of the Senior Class met and selected Miss Madeleine Richard of Pembroke as Best D.A.R. Citizen at the Academy. This contest is promoted annually by Buntin Chapter D.A.R.

It seems fitting in concluding this report to mention the great loss suffered by me and by members and friends of the Academy alike at the close of the school year last June. I refer to the untimely passing of Mrs. Beal. As I relive in memory these past five years at Pembroke, it is a revelation to me to realize that a person thus handicapped could be so cheerful in her work, and so thoughtful of others, forgetting self in her interest in serving those about her. It may have been making gym uniforms with Mrs. Peterson, or delving into attic trunks for costume

material, or shuffling up a batch of candy or cookies for some play cast, or getting out the car to take some sick girl home. Trusted friend, loyal companion, devoted mother, loving wife — an inspiration for all for years to come!

I want to thank you, Mr. Harmon, also the Trustees, and especially the teachers who worked with me so patiently, for your help and counsel during the most trying year of my teaching experience.

Respectfully yours,

JARVIS THAYER BEAL,

Headmaster
